The Danville Public Library affiliated with the newly organized Statewide Library Development System. Two of the advantages of this system are centralized book buying and cataloging. As a bonus we were presented with \$125.00 worth of reference books of our own choosing, which amounted to 17 books. The librarian attended a ten-week UNH Extension State Library course on cataloging and classifying books.

We purchased 25 adult and 47 children's books. We borrowed 1,252 books from the Exeter Office of the State Library at four Bookmobile visits.

We wish to thank the adults and children who gave 19 books this year.

Twenty-nine new borrowers were added to the roster this year.

Balance on Deposit with the State for books is \$13.61.

FROM THE FIRE DEPARTMENT

The Danville Firemen's Association extends sincere thanks to their many friends and well-wishers for the excellent and much needed support and co-operation shown during the past year.

Great progress has been made by the dedicated members of the Association in completing the training programs in the following: pump operation, use of hose and ladder, use of breathing apparatus and life-saving techniques in a smoke-filled house and use of life-saving oxygen equipment.

As a result of this training, the Danville Fire Department has promptly and efficiently answered twenty calls this past year and they are as follows: 1 grass fire, 1 rubbish fire, 1 woods fire, 4 house fires, 6 brush fires, 7 automobile fires. The assessed valuation of the houses actually saved from complete destruction by fire is in excess of \$20,000.00.

This could not have been done without your support and we look forward to your continued splendid co-operation.

George Gorton, Chief
Carroll Kimball, Deputy Chief
Dave Kimball, Engineer
Karl Skinner, Association President
